Hi all-

Just letting you know that we've just sent out another 308/information request to the 3 claim owners of the SF Clearwater site where AMRA/Poe had their July 2014 protest. We are slowly, but surely continuing on our followup and will keep you apprised of how we proceed. At this point, we are trying to cover all our bases. Based on info provided by the Forest Service, the claim owners are John Ratley (AMRA Field Manager), Mike Walker (AMRA Promotions Manager), and Lisa Grossman (she has the same address as Poe). This 308 is almost identical to the one that was sent to AMRA/Poe in October.

Also, the latest we've heard is that the Southwest Idaho Mining Association (SWIMA), the folks who organized the Riggins protest, is planning on holding their next protest on the SF Payette in the Boise NF around July 4<sup>th</sup> weekend. AMRA still plans on dredging the SF Clearwater this summer too.

Call or email if you have questions. Thanks.

Eva
